

Logan Circle Partners Short Duration 1-3yr

Return Date: 3/31/2019

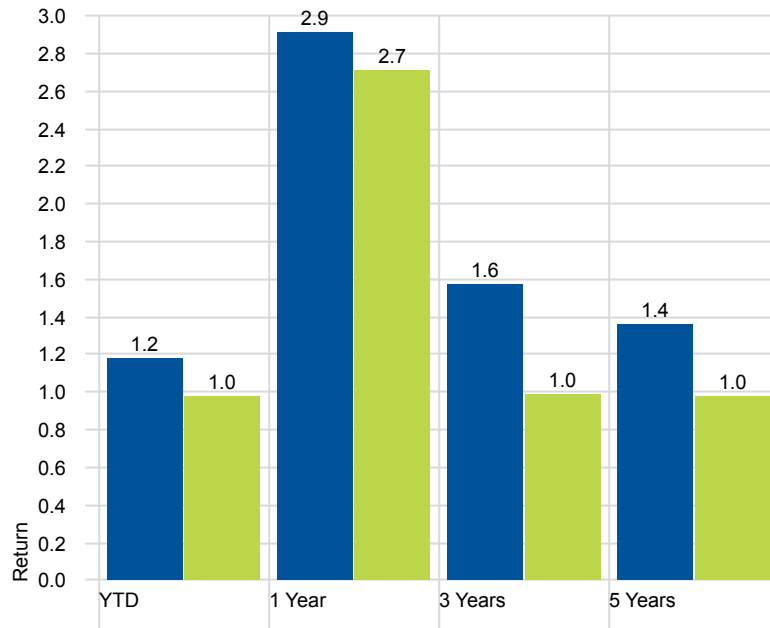

Benchmark: ICE BofAML 1-3Y US Trsy TR USD

Investment Strategy

The short duration strategy is managed by Logan Circle Partners and the manager believes that market inefficiencies create opportunities for active managers. Using a top-down approach, the team seeks to generate excess returns through actively managed sector, security and yield curve level strategies while containing duration risk. The portfolios generally maintains minimum 'AA-' average credit quality and is indicative of their defensive investment approach for managing client assets.
