Investment Strategy

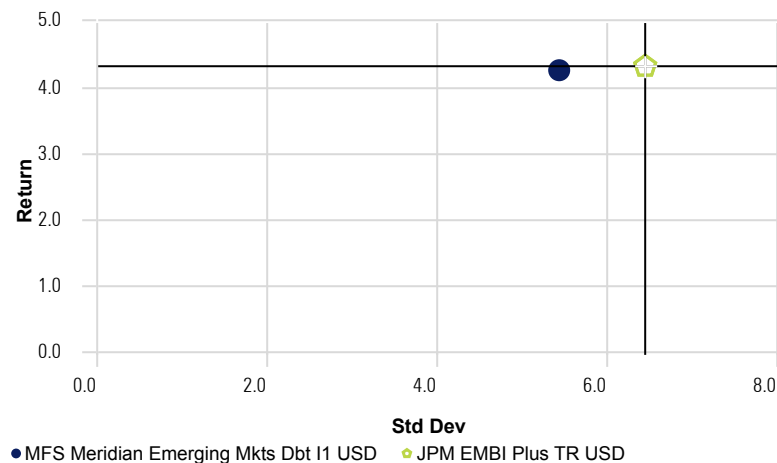

The Fund's objective is total return, measured in U.S. dollars. The Fund invests primarily (at least 70%) in emerging market debt instruments. The Fund generally focuses its investments in U.S. dollar denominated emerging market debt instruments but may also invest in emerging market debt instruments issued in other currencies. Such emerging market countries are located in Latin America, Asia, Africa, the Middle East, and the developing countries of Europe, primarily Eastern Europe. The Fund generally focuses its investments in government and government-related debt instruments but may also invest in corporate debt instruments. The Fund may invest all of its assets in below investment grade debt instruments. The Fund may invest a relatively large percentage of the Fund's assets in a small number of countries and/ or a particular geographic region.
